

# BEHRAN MOTOR OIL ULTRA BMB

## Top quality synthetic motor oil

### USES

- **Behran Ultra BMB** has been developed to cover the most stringent requirements of both modern gasoline and diesel engines.
- **Behran Ultra BMB** is a multi grade lubricant with advanced formulation and is particularly suited for turbo-charged, multi-valved and direct injection engines.
- **Behran Ultra BMB** engine oil is made out of full synthetic base oils and highly defined additives, can be used in the most severe driving conditions and all climate conditions.

quality gasoline engine lubricant, with high performance level which provides:

- Superior wear and bearing corrosion control, giving maximum engine protection
- High resistance to oxidation, contributing to extended lubricant life
- High protection against engine deposits, rust and corrosion
- Easy start in cold climates and engine protection in all temperatures
- Low volatility and evaporation loss
- Reduced fuel consumption

**Behran Ultra BMB** is specially formulated for use in modern gasoline and moderate engines.
