

BEHRAN MULTI PURPOSE LITHIUM GREASE EP

Multipurpose Extreme Pressure Lithium Grease

USES

- Behran Lithium Grease EP is an extreme pressure, multipurpose grease based on a blend of high quality mineral oils with a lithium soap thickener and contains lead free extreme pressure and other special additives to meet sever requirements of wide range industrial applications.
- It is recommended for extended service in heavy duty automotive, trucks, buses, tractors, construction equipment, high temperature wheel bearing, roller & ball bearing, electric motor bearing, universal joints, etc.
- This grease is used for most sever conditions including shock loading and wet enviroment from -20°C to 120°C temperature.

PROPERTIES

- Very Good EP capability
- Suitable for long term greasing
- Very good thermal , oxidation & mechanical stability
- Good water washout resistance
- Effective rust and corrosion protection

TYPICAL CHARACTERISTICS

Specification	Unit	Test Method	Behran Lithium Grease EP	
Texture	-	-	smoot	
Thickener Type	-	-	litium soap	
Color	Visual	-	brown	
Base Oil	-	-	Solvent Refind Mineral Oil	
NLGI	grade	-	2	3
Penetration, Worked	0.1mm	ASTM D-217	265-295	220-250
Dropping Point	°C	ASTM D-566	185	190-200
Four Ball Test	kgf	ASTM D-2596	250	250

CLASSIFICATION

- BEHRAN MULTI PURPOSE LITHIUM GREASE EP 2,3(ISO L-X-BCDB2,3)

Packaging

- 24×453 gr plastic containers in one carton
- 24×900 gr plastic containers in one carton
- 4×4.5 kg pails in one carton
- 15 kg (Lug)
- 55 kg (Keg)
- 180 kg drum
